Dear Citizen of New Baden,

As the Mayor of New Baden, I hope to meet the needs of all citizens. With this in mind, I have appointed a temporary Special Committee to prioritize all Public Works Repairs in New Baden. This committee consists of me and the following Trustees: Christy Picard, Bill Malina, Dave Gloeckner and Bob Oster. We need your help. My hope is to prioritize projects by August 1. After projects are prioritized, we will determine budget needs and put these projects in the Village Budget. Once budgeted, projects will be put on a schedule to complete. You will receive a follow up communication outlining the planned dates for completion of all projects.

Here are 3 areas we want to prioritize at this time:

- Streets: Is your street in need of repair? If so, let us know.
- Sidewalks: Do you know of a sidewalk in need of repair? If so, let us know. Do you know of a sidewalk that was removed by the Village and never replaced? We would also like to know about this as well.
- Storm Sewer: Are their drainage problems close to your home?

If you are aware of any projects that meet the above description, I would ask you to let us know about the problem. You can do this by:

- You can complete the form on the other side of this letter and return it with your water & sewer bill.
- Email me on the Village website or at nbmayer@newbadenil.com.
- Any photos or descriptions you can provide in regard to your concern will help us immensely. Please include pictures with your form.

Please, don't call Village Hall for a problem you would like to include in this project. If you have an immediate need, the employees of New Baden are eager to assist you.

If you would like to discuss your concern in person, you may attend one of two Public Hearings scheduled for: June 15 and July 20 at 6pm. I am also available to meet in person on the second Saturday of each month from 9 am to Noon at Village Hall.

I want to thank you in advance for taking time to read this letter and helping us improve New Baden.

Sincerely,

David J. Brandmeyer
